Basic Propane/Natural Gas Water Heater/Space Heating Service Plan

For Marquis Heating Propane/Natural Gas customers...we give a proven reliable Basic Propane/Natural Gas Service Plan for a worry-free season.

The Marquis Heating basic propane/natural gas service plan provides an annual inspection and covers labor for most regular and emergency service that may be required.

Tune Up

Steps included in your annual maintenance are as follows:

1. Test all safety controls.
2. Check and adjust ignition system.
3. Clean flame sensor (for Rinnai propane space heaters).
4. Wire brush burner and check for cracks (for Empire propane space heaters).
5. Clean main burner orifice (for Empire propane space heaters).
6. Lubricate motors.
7. Seal air leaks around combustion chamber and venting.
8. Tune up and adjust propane burner for maximum efficiency and economy.
9. Inspect propane tanks and regulators.
10. Perform safety inspection.

Exclusions

- Heat exchangers and combustion chamber
- ECM blower motor
- Power venter and vent dampers
- Gas supply line upgrades due to tank relocation or addition of new appliances
- Handling or removal of asbestos
